September 2023 - Current (Plan to graduate May 2027)

Game Design and Computer Science Double Major with a double minor in Entrepreneurship and Mathematics.

Notable Classes: 3d and 2d Development, Level Design, Systems Programming, Comp Sci 1+2, Game Design Workshop

VOLUNTEERING

Whitcomb Robotics Mentoring - 2022-2023

Volunteer teacher with Whitcomb's VEX Robotics Team, I taught the students how to build robots, block program, and the engineering design process.

Robotics Volunteering - 2019 - current

Throughout my time on the robotics team at Assabet, I've volunteered for FIRST LEGO LEAGUE, helped with badge earning opportunities for the Scouts and Girl Scouts, and Robot Demos to requesting organizations. Since 2023 I have volunteered as a junior mentor, teaching the next generation of programmers whenever I can.
